

Material Safety Data Sheet  
 May be used to comply with  
 OSHA's Hazard Communication Standard.  
 29 CFR 1910.1200. Standard must be  
 consulted for specific requirements.

U.S. Department of Labor  
 Occupational Safety and Health Administration

MARCH 2007

IDENTITY: NEW-LUBE PART NUMBER: NLF 10XXHD	Synonyms: NU-LUBE, NEW LUBE, NU LUBE New and Improved
Section I Manufacturer's Name: NEW LUBE, INC.	Emergency Telephone Number (253) 854-7779
Address (Number, Street, City, State, and ZIP Code)	Telephone Number for Information (800) 227-9876
633 South Central Avenue	Date Prepared 03/19/07
Kent, Wa. 98032	

**Section II - Hazardous Ingredients/Identity Information**

Hazardous Components (Specific Chemical Identity; Common Name(s))	OSHA	PELACGIH TLV	Other Limits	Recommended
---	------	--------------	--------------	-------------

The specific composition and component identities of this product are regarded by New Lube, Inc. to be a trade secret and their disclosure is withheld per CFR 1910:1200 (h). Medical personnel requiring this information are instructed to contact New Lube, Inc. directly with their request per CFR 1910:1200 (h). New Lube, Inc. certifies that all requirements of the Toxic Substance Control Act as amended have been complied with. All components of this formulation are listed in the TOSCA Inventory of Chemical Substance. Neither the product nor any of its components is on the list of Hazardous Materials.

**Section III - Physical/Chemical Characteristics**

Boiling Point - if product is liquid at 68° F @ 760mm Hg -	410° F	Specific Gravity (H <sub>2</sub> O = 1) at 68° F -	~0.86
Vapor Pressure (mm Hg)	N/A	Melting Point	
Vapor Density (AIR = 1)	N/A	Evaporation Rate (Butyl Acetate = 1)	

Solubility in Water Dispersible

Appearance and Odor  
 Green, Blue, or Clear liquid at 68° F; Slight odor

**Section IV - Fire and Explosion Hazard Data**

Flash Point (Method used) 170° C (open cup)	Flammable Limits	LEL N/A	UEL N/A
---	------------------	---------	---------

Extinguishing Media fog, foam, Carbon Dioxide, Dry Chemical

Special Fire Fighting Procedures Treat as oil fire

Unusual Fire and Explosion Hazards None known

**Section V - Reactivity Data**

Stability	Unstable		Conditions to avoid	None known
	Stable	X		

Incompatibility (Materials to Avoid)

Hazardous Decomposition or Byproducts

Hazardous Polymerization	May Occur		Conditions to Avoid	None known
	Will Not Occur	X		

**Section VI - Health Hazard Data**

Route(s) of Entry:                      Inhalation?                      No                      Skin?                      Yes                      Ingestion? Yes

Health Hazards (Acute and Chronic)                      None expected, however, all industrial chemical products should be handled with care to avoid overexposure.

Carcinogenicity:                      NTP?                      None                      IARC Monographs?                      N/A                      OSHA Regulated?                      N/A

Signs and Symptoms of Exposure                      None known

Medical Conditions

Generally Aggravated by Exposure                      None known

Emergency and First Aid Procedures

Inhaled - Not applicable. On skin - Wash thoroughly with water. In eyes - Flush with water, lifting upper and lower eyelids occasionally. Ingested - Drink 2 glasses of water and call a physician.

**Section VII - Precautions for Safe Handling and Use**

Steps to be Taken in Case Material is Released or Spilled                      Mop up with water. Soak up with absorbent material, sand, or sawdust. Neutralization not required.

Waste Disposal Method                      For small amounts - normal waste; may be incinerated. For large amounts - chemical dump. This product, if disposed of, is not considered a hazardous waste under current RCRA regulations.

Precautions to be Taken in Handling and Storage                      This product is not known or expected to be hazardous, but as with all chemical products, exercise caution in handling and using this material.

Other Precautions                      Not required

**Section VIII - Control Measures**

Respiratory Protection (Specify Type)                      Not required under normal conditions of use

Ventilation	Local Exhaust	Special
	Mechanical (General)	Other

Protective Gloves                      Not required                      Eye Protection                      Safety glasses or goggles recommended

Other Protective Clothing or Equipment                      Not required

Work/Hygenic Practices                      Not required
